FIG. 2

FIG. 2 is a schematic diagram of an X-ray detector system 200. The system 200 includes an X-ray detector 116 and an imaging system 202. The imaging system 202 is positioned above the X-ray detector 116. The imaging system 202 includes a series of vertical columns 102, each containing a series of horizontal lines 122. The columns 102 are separated by vertical dividers 214. The columns 102 are positioned above the X-ray detector 116. The columns 102 are labeled 102, 208, 212, and 210. The horizontal lines 122 are labeled 122. The vertical dividers 214 are labeled 214. The columns 102 are positioned above the X-ray detector 116. The columns 102 are labeled 102, 208, 212, and 210. The horizontal lines 122 are labeled 122. The vertical dividers 214 are labeled 214.
